IMPORTANT

All taxpayers should read the following requirements and comply with them.

Section 36, Chapter 92, Revised Statutes of Maine, 1954:

“Before making an assessment, the Assessors shall give reasonable notice in writing to the inhabitants, by posting in some public place in town or shall notify them, in such other ways as the town at its Annual Meeting directs, to make and to bring in to them true and perfect lists of their polls and all their estates, real and personal not by law exempt from taxation, of which they were possessed on the first day of April of the same year. If any resident owner, after such notice, does not bring in such lists, he is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he offers such list with the application and satisfies them that he was unable to offer it at the time appointed.”

DOGS REQUIRING LICENSE

Owners or keepers of dogs four months old, must produce a license annually, before Jan. 1st. Any person becoming the owner or keeper of a dog after the first day of Jan., not duly licensed as herein required, shall within ten days after he becomes the owner or keeper of said dog, cause said dog to be described and licensed. Make an effort to license your dogs early.

AUDITOR'S REPORT

A partial Auditor's report for 1964-1965 is in the back of this report and a complete report for 1965-1966 will be on the file in the Town Office as soon as received from the Auditor.

LETTER OF TRANSMITTAL

To the officers and citizens of Corinth:

Again it is my privilege to present to the tax payers of Corinth the annual report of the financial transactions for the past year, and other information.

It is hoped that the \$1,066.00 voted last year from Excise Tax will finish paying for the McGregor Bridge. And, it is hoped that by anticipating two unit (\$1,066.00) of State Aid for 1967, and raising \$1,000.00 extra, we can pay our part of the Trimm Bridge (Articles No. 18 & 19). If this bridge is not built this year, we will probably have to replank it — which will be quite an expense to the town. It is very important that the Trimm Bridge on No. 43 be built, so as to complete this Route.

We did make a small gain on Tax collections this past year — but not as good as I wish it had been. Hope I will be able to do more another year, as I have talked with several Attorneys. Would advise anyone that owes old Taxes to come to this office and make arrangements to pay.

Our town was twice saddened this past year by losing two of our devoted officers. Mrs. Bisbee Plourde, a Ballot Clerk, and Mr. Burnett L. Grant our Second Selectman. Both of them were very devoted to their respective duties, and as townspeople. We have missed them already, and will miss them more.

I want to take this opportunity to thank all of the Officers and Townspeople that I have worked with this past-year—they have been very cooperative.

Respectfully submitted,

EDWIN P. SNOW

Town Manager

Playground Report

Summer 1965

First Week

Get Acquainted Week: Events - Made name tags. Set up story time - very popular. Made pictures from glue, colored sands. Played beano, learned several new songs with actions. Learned new games, mostly quiet games as it was so hot. Had picnic at playground; then made friendship circles.

Notes: I went to playground Monday evening with purpose of starting softball for girls in area on Monday and Friday. Only one interested girl showed up so discontinued Mon. & Fri. evening meetings until interest in softball shown. On Monday, all rules, objectives, reminders were posted in bright colors. Children accepted them without question and showed much eagerness to have an active and well-organized playground. On Thursday, I visited Atkins Memorial Library and set up with Mrs. Perkins a summer reading schedule (a story day) to go along with week's activities.

Second Week

Foreign Countries Week: Events - Read and talked about life and children in Holland, England, Switzerland, and Canada. All American Day: hike to gravel pit, cookout with fire, games in sand.

Notes: Excitement all week about which country we'd read and talk about next day. Biggest day was "All America Day." Children came early and stayed all day. On Fridays, I don't plan to take a noon break. The past two weeks picnics or hikes have started at 11:00. Thus, far, too, I've supplied Kool-Aid (with Mother Dow's help) but I'll ask lionettes to relieve me occasionally.

Third Week

Physical Fitness Week: Events - All week we "practiced" for the "Olympics" we held on Friday. Also, Mon. through Thurs. we made place mats for ourselves and our families. An average of $2\frac{1}{4}$ was made by each child. Friday we had special events: foot races, ankle races, sock races, jumping events, throwing events, a tug of war, etc. Prizes were candies donated by Bud McPheters, C. O. Burleigh and myself.

Fourth Week

Wild West: Events - Each day except Friday, we read stories and swapped tales about life in the old West, the "good guys" and "bad guys," etc. Games of West. On Wednesday, we made hot plates from plastic coffee can covers, colored egg shells, crepe paper, etc. Some teenagers made extra ones for their hope chests. Friday we had a parade, a cowboy and Indian fight, and contest games. At first, everyone (boys) wanted to be a cowboy. The girls all wanted to be wives. But after a few suggestions, the girls became nurses and doctors and the boys split fairly evenly into two groups. I was surprised at the number of cowboy and Indian costumes in town.

Fifth Week

Holiday Week: Events—Valentines Day: We made lacey valentines. Christmas: We swapped gifts — no gift was to have been bought especially for occasion. Halloween: Parade and treats to popcorn & candies. Birthday: Party with cupcakes and punch (made by Charlene Burgess).

Notes: Needless to say, this was our most popular week for morning and afternoon attendance. But, for some reason, evening attendance fell off terribly. For this reason, I'm discontinuing evening sessions. Little League games are occurring more and more frequently, too, and my car and I are needed for transportation of players.

Sixth Week

Tournament Week: Events—Sign up day for tournaments in checkers, chess, Chinese checkers, horseshoes, ring toss, tetherball. Contests each day. Attendance at any one time made it very difficult to complete the contests. It seems the children have two other outside interests this week: Bangor Fair and skate boards. Sidewalk surfing has hit town, and since the playground has no suitable area, the children have gone elsewhere. On Friday, I awarded 10 Kennedy half dollars to the winners of the tournaments. Mrs. Alice Whitney donated the \$5.00.

Seventh Week

Clean-up Week: Events—Made greeting cards. Cleaned up grounds. Hobo Hike to Pines at Academy, picnic, played on gym sets at Morrison Memorial School, hike back to playground, made talking puppets.

Notes: It was a good summer. The children were very well behaved. It was fun working with them. I have learned about children and they learned much about each other.

LITTLE LEAGUE REPORT

The Little League this year was successful with 50 boys participating in baseball action. The Little League was expanded by including a new team called the Pirates which included the younger boys in the area learning the fundamentals of baseball. The Little League All-Stars completed a winning season with a 4-1 record and competing in the Pittsfield Imitation Baseball Tournament in which they finished in the semi-finals.

The coach and boys would like to thank the businessmen who donated the new uniforms, the Lions Club who furnished the baseball equipment, and the parents who furnished transportation to the games.

- February 26, 1965 — Ambulance Call — Took Mr. Millard Norton to Bangor Hospital after being struck by a car.
- March 14, 1965 — Fire Call — Grass fire at Anne Briggs— Some damage to a small shed. Fire caught from a rubbish barrel.
- March 17, 1965 — Fire call to Charleston — Fire at Sadie Dority home. We helped on a grass fire caused by flying sparks.
- March 20, 1965 — Fire Call — Kenneth Buswell's tractor caught fire while being started. Considerable damage.
- April 2, 1965 — Fire Call to Mr. Kenneth Hendron's. Motor on furnace burned out. No other damage.
- April 2, 1965 — Fire call to O'Rourke farm. Small grass fire near shed. No damage.
- April 4, 1965 — Fire Call — Grass fire on Main Road at Kenduskeag.
- April 7, 1965 — Fire Call — Fire at Mr. Earl Reynolds.

Lost were a small barn, shed and ell of house. Also lost were four ponies, some equipment and the household furnishings in all of house. By pumping water from a small brook, we were able to save the main house.

April 14, 1965 — Ambulance Call — Took Mr. Robert Harvey to a Bangor Hospital.

April 19, 1965 — Fire Call — Grass fire at Rowena Mills. No damage, except for a few scorched shingles on one wall.

April 20, 1965 — Fire call to Exeter — Fire at Thayne Eastman's tractor shed. Caused by a grass fire.

April 21, 1965 — Fire Call — Dump fire.

April 22, 1965 — Fire Call — Car fire. Car owned by Guy Spinney. Complete loss.

April 22, 1965 — Ambulance Call — Car accident near Frank Everett's. Took Mr. Vaughn Grant to Bangor hospital.

April 25, 1965 — Fire Call — Fire at Strout's Auto Sales. Spark from cutting torch started a fire in grass, which spread to several junk autos. A difficult fire to put out.

May 1, 1965 — Fire Call — Grass and woods fire at Carroll Ellis farm. No damage.

May 2, 1965 — Fire Call to Charleston — Fire in woods at Merle Bradfords. Charleston department had plenty of help when we arrived so we returned to the station.

May 23, 1965—Ambulance Call to Corinth Baptist Church. Took Judy Buswell to Bangor Hospital.

June 1, 1965 — Fire Call — Grass fire at Leland Smith's (Asa Lord place). Dump barrel turned over and caught in the grass. No damage.

June 22, 1965 — Ambulance Call — Took Mr. William

- Cooper of Charleston to a Bangor hospital. Mr. Cooper lost an arm in a mowing machine accident.
- June 23, 1965 — Ambulance Call — Took Mrs. Alma Cyr to a Bangor hospital suffering from injuries sustained in a fall down a flight of stairs.
- June 25, 1965 — Fire Call — Grass at the Harold Philbrick place. Burned nearly an acre.
- July 5, 1965 — Fire Call — Town Dump. Hauled water from 7:00 P.M. to 10:30 A.M. and pumped water all next day from the Kenduskeag Stream. Also, used dozer at this fire.
- July 7, 1965 — Ambulance Call — Took Mrs. Dwight Lamber to a Bangor hospital.
- July 15, 1965 — Ambulance call to Exeter — Used our resuscitator to aid in breathing. Mr. Wendall Eastman had accidentally inhaled some (toxic) gas.
- August 1, 1965 — Ambulance Call — Took Mr. and Mrs. Laforest Hall to Bangor hospital after they were injured in an auto accident.
- August 4, 1965 — Ambulance Call — Took Mr. Dean Clark to Bangor hospital. Mr. Clark was treated for a cut on his head received in a fall.
- August 4, 1965 — Ambulance Call — Took Mr. David Fletcher to a Bangor hospital. Injured in an auto accident.
- August 6, 1965 — Fire Call — Grass fire at McGregor Bridge.
- August 6, 1965 — Fire Call — Woods fire on East Ridge Road. Burned about 1½ acres in a pulp cutting. Lost in this fire was about 30 cords of wood. Worked on this fire until late Sunday night, August 8. This fire pay-roll

was sent to State, and the town was reimbursed one-half the cost.

August 8, 1965 — Fire Call — Fire at the I. G. A. Store.

This was a bad one. Considerable damage to store rooms upstairs, and smoke and water damage to remainder of building. All stock was a complete loss. We were assisted on this fire by the Garland, Charleston, and Kenduskeag Fire Departments, through our mutual agreement with these towns. Someone called Corinna, and they arrived with two large trucks, but returned home as things were under control at that time. Due to the nearness of other buildings, plus the very dry conditions prevailing at the time, this fire had the potential of being a holocaust. In answer to the unfavorable comments received on this fire, because of the amount of water used, I would like to explain briefly our reasons. On arrival we noticed very black smoke pouring out every where, the entire length of the building. This indicates a fire of very high heat build-up and lack of oxygen for complete combustion. These conditions can cause an explosion and would have spread the fire to other buildings and could have caused injuries to firemen and spectators. So we used a lot of water in fog patterns to cool the super heated air and smother the fire. We feel that under these conditions we would do the same thing again.

August 11, 1965 — Ambulance Call — Took Mrs. Blanche Walker to a Bangor hospital.

September 4, 1965 — Ambulance Call — Took Mark Vigue to a hospital in Dover.

September 5, 1965 — Car fire at West Corinth. Wiring on motor of car burned. Some damage to rest of car. Owned by Mr. Ellery Clements.

September 9, 1965 — Fire Call — This was another bad one. Kenneth Davis home was a mass of flames when we

arrived. A mal-function in the telephone connection caused some delay in getting the call through. We pumped water from a nearby farm pond on the property. Everyone worked hard, but to no avail. Complete loss of buildings and all furnishing, including clothing.

September 15, 1965 — Fire call at Kenneth Davis place. This place wanted to burn. When we arrived the shell of what was once a house, was a mass of flames. Again we pumped water from the farm pond. Wanted to save the furnace and other things in the cellar, so we put the fire out again.

September 20, 1965 — Fire call to Hudson — Flooded oil burner at the Harold Rolfe home. No damage.

September 20, 1965 — Fire at Kenneth Davis — Yes, again the ruins were smoking. This time the fire was in a mattress that was buried under plaster and debris and wasn't thrown out during the mop-up after the second fire.

September 26, 1965 — Fire call to Charleston — Old car near buildings at Robert Rockwell's home. No damage to buildings.

September 27, 1965 — Ambulance Call — Took two East Corinth Academy students to a Bangor hospital. Injured during a gym class.

October 24, 1965 — Ambulance Call — Took Mr. Bert Boyer to Bangor hospital.

October 25, 1965 — Ambulance call to Charleston — Took Mr. Lenard to Bangor hospital.

November 1, 1965 — Fire Call — Chimney fire at Frank Brooks. No damage.

November 1, 1965 — Ambulance Call — Took Mr. Burnett (Bernie) Grant to Bangor hospital.

- November 3, 1965 — Fire Call — Car fire on Main Street.
Burned was one tire and brake lining.
- November 7, 1965 — Ambulance Call — Took Mr. Owen Campbell to Bangor hospital.
- November 19, 1965 — Ambulance Call — Took Mrs. Annie Tilton to a Bangor hospital.
- November 22, 1965 — Fire Call — Chimney fire at Albert Walker's. No damage.
- November 27, 1965 — Fire Call — Chimney fire at Ted Higgins.
- December 10, 1965 — Ambulance Call to Hudson Grade School. Took Freddie Townsend to a Bangor hospital with a broken leg.
- December 20, 1965 — Fire Call — Chimney fire at Cedric Prebles. No damage.
- December 22, 1965 — Ambulance Call — Took Mr. John Junkins to a Dover hospital.
- December 23, 1965 — Ambulance Call — Took Mrs. Priscilla Ellis to a Bangor hospital with injuries sustained in an auto accident.
- December 24, 1965 — Ambulance Call — Auto accident near Worcester Auto Sales. Took Mrs. Marcia O'Neal to Dover hospital.
- December 31, 1965 — Ambulance Call — Took Mr. Russell Broad to a Bangor hospital with injuries sustained when a truck tire blew apart while he was working on it.
- January 10, 1966 — Fire Call — Chimney fire at Walter Davis home. No damage.
- January 29, 1966 — Ambulance Call — Took "Buddy" Dow to hospital in Bangor.

Another year has passed, and again, the fire department would like to thank all citizens for their fine support. Morale in the department has been very good. We have added several new members to our roster. We are pleased to see the young fellows join and take part.

The fire department has growing pains. Our four pieces of equipment crowd our building to the seams. This could be relieved by some remodeling. We also have a larger roster, so our payroll is higher. Our insurance is quite an item. These things, plus some unexpected repairs, have caused an overdraft. Therefore, we feel we must ask for more money. Your support will be greatly appreciated.

We would like to thank the Maine Forest Service for their cooperation. Mr. Irving Caverly, District Ranger, has lent us pumps, trucks, and numerous equipment and helped in many ways. You will notice a page in this report on the latest fire laws as they pertain to outdoor fires. Hope all citizens of Corinth will make an effort to support these laws.

As Fire Chief, I would like to thank each and every fireman for his fine support. Would like also to thank the women who handle the fire calls on the red phone network. They are the ones that call out the firemen. They have done a very good job.

Sincerely,
NORMAN BUSWELL,
Fire Chief

Fire Warden's Report

To the citizens of Corinth:

The Town Fire Warden issued seventy-five permits in 1965 and forwarded duplicates to the State Commissioner.

All Warden meetings were attended.

Several fires were reported from High-Cut Tower, were attended and report returned to High-Cut.

The Town dump is still our worst problem, but was kept under control and was 'dozed back several times. Several rods of new fence on each end, was built to keep the dump within bounds.

Respectfully submitted
WALTER L. SAWYER
Town Fire Warden

Our Town Dump got to burning down deep in early July, twice it broke out bad and had to be dozed over and

wet-down. It still continued to burn down deep, and had to be watched a lot. The fence that was erected helped to keep the dump area from spreading over on to other people's land. We are sorry for the overdraft, but if we had not done the things that were done, it could have cost the Town a lot more.

MAINE FOREST SERVICE

The Forest Rangers of Fire Control District 5 wish to express their sincere thanks and appreciation to Town Manager Snow, the Selectmen, especially the Corinth Volunteer Fire Dept. with Norman Buswell Chief for the cooperation in various phases of control of fires threatening woodlands this past season.

Our equipment here at Corinth is subject to call anytime within the control District of 83 towns and can be called anywhere in the state. We have depended on Chief Buswell and his men many times this past season and they have not let us down. We feel very fortunate to enjoy this cooperation.

Sincerely

IRVIN C. CAVERLY,
District Ranger
Maine Forest Service.

MAINE DEPARTMENT OF HEALTH AND WELFARE
DIVISION OF PUBLIC HEALTH NURSING,

Although Public Health is thought of as Community Health, we have to consider that each person dealt with is an individual. Therefore, definite programs may be introduced to a community but family problems are worked out according to the individual's physical, emotional, and economic needs.

The public health nurse maintains a program of education and guidance by teaching health rules, by preventing disease and deformity, and by lessening human suffering.

A statistical summary of the health services given in your town this past year is shown in the following tables:

SCHOOL HEALTH PROGRAM

Number of Children Immunized

| | |
|--------------------|----|
| Diphtheria Tetanus | 67 |
| Tuberculin Tests | 37 |

CHILD HEALTH CONFERENCE PROGRAM

| | |
|------------|----|
| Attendance | 56 |
|------------|----|

| | |
|---------------------------------------|----|
| Number Children Examined by Physician | 40 |
|---------------------------------------|----|

Number Immunized

| | |
|-------------------------------------|----|
| Smallpox | 21 |
| Diphtheria, Whooping Cough, Tetanus | 19 |
| Poliomyelitis | 8 |

The public health nurse was assisted with the above programs by the Corinth Health Council.

There are many services given by your public health nurse that are not shown in the above statistical tabulation. These services include health guidance through home visits to in-

dividuals and families in their homes and in the schools.

The clinic services of the Department of Health and Welfare are available to citizens of Corinth when referred by their family physician. These clinics are listed as follows: Cardiac, Orhopedic, Pediatric, Hard of Hearing, Cystic Fibrosis, and the Clinic for Mentally Retarded Pre-School Children.

Your public health nurse wishes to thank everyone who has assisted with the various health programs this year.

Respectfully submitted,

GEORGINA J. PATTERSON
Public Health Nurse

ANNUAL REPORT OF THE ATKINS MEMORIAL LIBRARY

This year in the library has been a busy one and yet I think more rewarding in some respects. As we have had more of the students from the Academy visiting the library. While all of them haven't taken out books, many of them have. This always makes a librarian feel that the purpose of the library is being recognized.

There have been new books, fiction and non-fiction, added to the library shelves, and more are to be ordered.

We have added quite a few Classics this year. Some to replace those with poor print, or the worse for wear.

We appreciated a number of books that were donated to the library.

At our Annual Meeting of the Library Association, which will be held May 9th, 1966, at the library, the matter of purchasing a new heater will be brought to the attention of the trustees. The old stove has fulfilled its purpose but cannot be relied on at all times.

We wish more of our citizens, especially the adults, would avail themselves of the privilege of visiting our fine library. Come in and browse around. We believe you will find some books that will fit your particular need.

The children really enjoy the library, of which fact we are very pleased.

Don't forget the Annual Meeting in May!

To the Corinth School Committee, Town Officials, Tax-payers, and to the parents I present this brief account of the Morison Memorial School.

The School Department during the past year has purchased a large amount of new equipment for the elementary school instructional program. A portable science table with complete equipment for classroom science experiments, portable educational television receivers, science reference library, two sets of general reference encyclopedias, many filmstrips, and reading kits.

Under Title I of the Elementary and Secondary Education Act of 1965 we secured a grant of \$7,208.00 for a special audio-visual center and a teacher aide program for the Morison School.

The exterior of the Morison Memorial School Building was painted, minor outside repairs made, all classrooms were painted, and new venetian blinds were installed in two rooms during the summer of 1965. The School Department wishes to continue the general upkeep of the school by painting of the corridor, kitchen, and utility room and to undertake some furniture refinishing during the summer of 1966.

We anticipate using the building for the Project, "Head Start" for School Union No. 83 during the early summer months.

LYNDON V. DURAN

Treasurer

The cemetery trustees wish to express their appreciation for the interest and concern of the citizens of the town in providing finances to do an extensive repair job in our out-laying cemeteries. Work has been pretty well completed in the Boutelle and Hilltop Cemeteries in the line of straightening up tilted and sunken stones and resetting in concrete foundations many headstones and marble slabs that had fallen over on the ground or had broken loose from its original base. Much grading of sunken areas was done to improve appearance of lots.

A good start was also made in the Evergreen Cemetery but is not completed due to lack of funds.

It is well to note that the front fence and gates at the Hilltop Cemetery is in very bad condition and should be replaced as well as some minor repairs on other fences.

Most of the gravel and loam used in the repair work was given by the B. L. Grant family for which we wish to express appreciation.

NOTICE — NEW STATE LAWS

Regarding Fires and Fire Hazards

To inhabitants of town of Corinth:

Your attention is called to new and revised laws enacted by the 102nd Legislaure.

Due to limited space only those that will affect most of you are being summarized at this time. The Title, Chapter and Section numbers are being given but exact wording has been substituted by a general meaning of these laws.

Title 12, Chapter 215, Sub-Chapter 5, Section 1355

This law states that any town allowing dumping to continue on town dumps closed by the State because they do not meet clearance regulations will lose the town's right to State reimbursement of $\frac{1}{2}$ the costs of control of any escape fire from this dump during time of closeure. This is up to 1% of state's valuation of town.

Title 12, Chapter 215, Sub-Chapter 7, Section 1456-A

This states *no equipment* for producing power shall be operated in or near woodlands *without approved spark arresters or mufflers*. This applies to chain saws, tractors, either manufactured or home-made, or other equipment.

Title 12, Chapter 215, Sub-Chapter 11, Section 1653

Any person who willfully or negligently causes a fire which burns forest, brush, grass or other lands or who fails to take proper action to control a fire on his own land shall be *liable to the state or town for up to \$500.00* of the suppression costs.

Title 25, Chapter 317, Section 2436-A

This sets up control of debris burning when the *ground is not covered with snow*. Debris may be burned out of doors only between the hours of 5:00 PM and 12:00 midnight unless you have an approved incinerator or a special burning permit from your Town Warden or Fire Chief. Incinerator approval may be obtained from your Town Warden. To meet approval incinerators must be tight containers with 1 inch holes for draft not more than a foot from bottom of container. Top must be tightly covered while burning with mesh or equivalent with holes $\frac{1}{2}$ inch or smaller. Incinerator is to be set in center of circle 10 feet in diameter cleared to mineral soil. Pressurized cans shall not be burned and fire shall not be left unattended.

NOTE: This law applies only to debris burning. Permits for burning slash, brush, blueberry land or fields of dry grass must be obtained for any time of day.

Questions on these laws may be answered by your Town Forest Fire Warden, Fire Chief or at the nearest Forest Ranger Station.

SUGGESTION: HAUL, OR HAVE HAULED, DEBRIS TO TOWN DUMP. Old automobiles and animal refuse exempted.

SLASH DEFINED: Slash is defined as branches, bark, tops, chunks, cull logs, uprooted stumps and broken or unrooted trees and shrubs left on ground as a result of logging, right of way construction or maintenance and land clearance.

DEBRIS is any manufactured product, household rubbish, hay or other vegetative accumulation or materials not included under slash.

AUDITOR'S REPORT

May 4, 1965

Board of Selectmen
Corinth
Maine
Gentlemen:

In accordance with Chapter 90-A, Revised Statutes of 1954, an audit has been conducted of the financial records of the Town of Corinth for the fiscal year ended January 31, 1965.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting and included such auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, fairly present the financial condition of the Town as of January 31, 1965 and the results of its operations for the year then ended.

Respectfully submitted,
L. C. NEAL
Public Accountant

TOWN OF CORINTH

JANUARY 31, 1964 TO JANUARY 31, 1965

An audit of the financial records of the Town of Corinth has been completed for the fiscal year ended January 31, 1965. The audit included a review of cash transactions as well as an anlysis of available funds and expenditures. The results are incorporated in the following text, exhibits and

schedules pertaining to the financial affairs of the Town.

The fiscal year's operations showed that the net unexpended balances lapsed in departmental accounts to \$476.47 per the following summary:

Departmental Operations, Exhibit D—

| | |
|------------------|-------------|
| Unexpended | \$ 3,529.23 |
| Less: Overdrafts | 3,052.76 |
| | <hr/> |
| | \$ 476.47 |

The major lapsed overdraft occurred in the snow removal account.

ASSETS

The cash balance of \$13,497.51 on demand deposit was reconciled with statement furnished by the Newport Trust Company. The office fund of \$200.00 was verified by count of cash at date of audit.

Taxes receivable amounted to \$16,542.47. This amount is comprised of \$12,239.68 for the current year and \$4,302.79 for prior years, dating back to 1952. Some definite action should be taken to liquidate these delinquent accounts.

Tax liens and tax acquired property amounted to \$4,291.23 and \$6,822.14 respectfully.

Accounts receivable in the amount of \$72.23 originated from current year transactions.

LIABILITIES, RESERVES AND SURPLUS

Insofar as could be determined, current liabilities amounted to \$2,712.29. This amount consists of \$2.97 accounts payable, \$2,300.00 due the Ministerial and School Fund and withheld income taxes \$409.32.

A reserve of \$830.50 is being carried for possible losses in taxes receivable.

Balances carried forward totaled \$5,831.89. This amount is comprised of the following accounts: Office Equipment \$200.00, Civil Defense \$500.00, Social Security Taxes

\$74.03, Safety Markings \$50.00, Dental Hygiene \$150.00, Education \$4,741.80, Dutch Elm Disease Control \$589.60 and overdraft of \$473.54 in Grange Hall Account.

The unappropriated surplus of \$32,050.90 reflects an increase of \$443.59. Analysis of this account is shown on Exhibit E of the accompanying report.

SCOPE OF AUDIT

Town Clerk's records were examined, pertaining to the financial operations of the Town.

Treasurer's receipts and warrants were checked to determine the accuracy of recorded transactions. Cash receipts were reconciled with bank deposits and warrants reconciled with checks issued.

The 1964 assessment of property and poll taxes was proved and compared in detail with commitment to the collector. Copies of excise tax receipts were reviewed, added and test checked to the extent considered necessary.

Recorded transactions in matured and unmatured tax liens were examined.

Transactions in tax acquired property were examined.

Trust fund resources, with exception of the Ministerial and School Fund, are held by agencies other than the Town treasurer; a separate report of such funds will be submitted to the Trustees and Town Officials.

In our opinion, subject to the foregoing comments, the accompanying exhibits and schedules fairly present the financial condition of the Town as of January 31, 1965, and the results of its operations for the year then ended.

WARRANT FOR ANNUAL TOWN MEETING

COUNTY OF PENOBSCOT

STATE OF MAINE

To Edwin P. Snow, a Constable in the Town of Corinth, in the County of Penobscot, Greeting:

In the name of the State of Maine, you are hereby required to warn and notify the Inhabitants of the Town of Corinth, in said County, qualified by law to vote in Town Affairs, to meet at the Town Hall, in said Town, on Mon., the 28th. (twenty-eighth) day of March A. D., 1966 at seven-thirty (7:30) o'clock in the afternoon, then and there to act on the following articles, to wit:

ARTICLE

NO.

1. To choose a moderator to preside at said meeting.
2. To choose a Town Clerk for the ensuing year.
3. To see if the town will accept the town report, subject to audit.
4. To see what sum of money the town will vote to pay the Selectmen, Assessors, and Overseers of the Poor, or act on anything relating thereto.
5. To elect three Selectmen for the ensuing year.
6. To elect three Assessors for the ensuing year.

7. To elect three Overseers of the Poor for the ensuing year.
8. To elect one member of the Superintending School Committee to serve for three years.
9. To elect a member of the Cemetery Trustees to serve for three years.
10. To choose Constables, Sextons, Fence Viewers, a Fire Inspector, and all necessary officers.
11. To see if the Town will vote a date when taxes are due, and are payable, and a date from which interest may be charged. R. S. Chapter 14, Sec. 1 & 2.
12. To see if the town will vote to give a discount for the early payment of taxes, fix a rate, and time allowed.
13. To see if the town will vote to authorize the Selectmen and Treasurer to withhold 20 per cent of the amounts on Town Treasurer's Warrants, for services rendered for the town by persons who are owing any taxes, until their taxes are paid.
14. To see what sum of money the town will vote to raise or appropriate for summer roads and bridges.
15. To see if the town will vote to appropriate and raise the sum of \$300, or like sum, to repair the Notch Road from Earl Reynolds' to the corner of the Cushman Road, as it is used as a mail and school bus route.
16. To see what sum of money the town will vote to raise or appropriate to tar (black-top) Morison Avenue, or act an anything relating thereto. (Cost figures will be available at Town Meeting.)

17. To see if the town will vote to plow snow, and sand all roads acceptable to the State Highway Commission, and raise or appropriate a sum of money for that purpose, or act on anything relating thereto.
18. To see if the town will vote to buy a "V" type snow-plow with a 10' wing. (Cost will be about \$2,475.00)
19. To see what sum of money the town will vote to raise or appropriate for State Aid Construction (in addition to the amounts regularly raised for care of ways, highways and bridges) under the supervisions of Sections 44, 49 and 50, Chapter 23, Revised Statutes, as amended; it is suggested that we raise only 2 units (\$1,066.00) in anticipation of the State's matching funds for 1967, and authorize the Selectmen and Town Treasurer to hire the State's share or \$2,132.00 until we are reimbursed by the State in 1967, this joint fund to be used on the Trimm Bridge.
20. To see if the town will vote to raise and appropriate the sum of \$1,000, more or less, to make up the balance of the Town's share of the cost of the Trimm Bridge, or act on anything relating thereto.
21. To see what sum of money the town will vote to raise or appropriate for elementary school maintenance and repairs:

NOTE: The reason for the Elementary School asking for a smaller appropriation—than the Academy—is that our State Subsidy of \$55,843, goes into their budget.
22. To see what sum of money the town will vote to raise or appropriate for free high school.

23. To see if the town will vote to authorize the Superintending School Committee to make a contract with, and pay the trustees of East Corinth Academy for the tuition of its pupils qualified to attend such a school.
24. To see if the town will vote to authorize the formation of a joint committee to consist of the Superintending School Committee and an equal number of trustees of East Corinth Academy, said joint committee to be empowered to select and employ the teachers for the Academy, to fix the salaries, to arrange the courses of study, and to supervise the instruction and to formulate the enforce proper regulations pertaining to other educational activities of the school, as provided in Section 96, of Chapter 37, Revised Statutes of 1944.
25. To see what sum of money the town will vote to raise or appropriate for Miscellaneous expenses, or act on anything relating thereto.
26. To see what sum of money the town will vote to raise or appropriate for Town Officers.
27. To see what sum of money the town will vote to raise or appropriate for Public Nursing in Corinth. Said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service. (The State is asking for \$225.00).
28. To see if the town will vote to reappropriate the \$150.00 balance, to be expended by the Corinth Health Council for the Dental Hygiene Program in the elementary school.
29. To see if the town will vote to appropriate or raise a sum of money for Health and Sanitation, and state the amount, or act on anything relating thereto.

30. To see if the town will vote to raise or appropriate a sum of money and state the amount, to pay for Supervision of play and athletics of grade children on Recreational field during summer months.
31. To see what sum of money the town will vote to raise or appropriate for Street Lights. We are exploring the possibilities of using a stronger light at a small additional cost. It will cost us \$1,005.00, as they are now, and we can have the stronger lights for \$1,450.00. These are like the light at the entrance of the Hudson Road.
32. To see if the town will vote to reappropriate the 1965 Balance of \$43.95 to repaint the School Safety Markings on Highway No. 15. The paint has been bought.
33. To see what action the town will take in approving the appointment of Norman I. Buswell as Fire Chief, as recommended by the Directors of the Corinth Volunteer Department, or act on anything relating thereto.
34. To see if the town will vote to raise or appropriate the sum of \$2,400.00 to defray the operating expenses of the fire department including Fireman's pay while attending fires, or act on anything relating thereto.
36. To see if the town will vote to raise or appropriate the sum of \$1,000.00 to be held in a Reserve Fund toward the purchase of a new Fire Truck at some later date, the money to be deposited in a Savings Bank with the money appropriated previously for the same purpose.
37. To see if the town will vote to raise or appropriate a sum of money to make changes and repairs to the Town Hall, to meet the requirements of the State In-

surance Commission. Must have a different heating system, front doors must open outward, an emergency door in the back of the hall, EXIT signs with automatic emergency lights for both exits, and stage curtains to be flameproofed. We will try to have cost figures at Town Meeting.

38. To see if the town will vote to raise and appropriate money to re-tar the Town Hall yard. (Estimated cost \$800.00)
39. To see if the town will vote to reappropriate the 1965 unexpended balance of \$500.00, for matching funds for Civil Defense and Public Safety, or act on anything relating thereto.
40. To see if the town will vote to reappropriate the 1965 unexpended balance of \$100.00 to buy snow fence.
41. To see if the town will vote to appropriate \$400.00 from Surplus for the support of the poor.
42. To see what sum of money the town will vote to raise or appropriate for Aid to Dependent Children.
43. To see what sum of money the town will vote to raise or appropriate to procure from Atkins Memorial Library Association the free use of its books for the inhabitants of the Town of Corinth, as provided by Chapter 28, R. S. of Maine, or act on anything relating thereto.
44. To see what sum of money the town will vote to raise or appropriate to pay interest and discount.
45. To see if the town will, for the purpose of procuring a

temporary loan or loans to and for the use of said town in conducting its municipal year of 1966 and in anticipation of and to be paid out of the taxes of the current municipal year of 1966, authorize and direct the Town Treasurer, subject to approval of the Selectmen, to borrow from time to time, during the said municipal year, a sum or sums not exceeding in the aggregate the sum of \$25,000.00 and to make, execute and deliver the negotiable note or notes of the town therefor payable within said current municipal year, and upon such terms as shall be satisfactory to said treasurer and selectmen, any debt or debts incurred hereunder to be paid out of money raised by taxation during the present municipal year.

46. To see if the town will vote to authorize the Selectmen on behalf of the town, to sell and dispose of any real estate acquired by the town for non-payment of taxes thereon, including real estate conveyed to the town, on such terms as they deem advisable, and to execute Quit-Claim deeds for such property, and ratify and confirm any such deeds heretofore given by the Selectmen, in behalf of the inhabitants of the town, purporting to convey interest of the town.
47. To see whether or not the town will vote to raise or appropriate the sum of Sixty Dollars (\$60.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with provisions of Chapter 91, Section 108, of the Revised Statutes of 1954.
48. To see what sum of money the town will vote to raise or appropriate for carrying on a Dutch Elm Disease prevention program, as recommended by the Maine

Forest Service, for the purpose of protecting elm shade trees, or act on anything relating thereto.

49. To see what sum of money the town will vote to raise or appropriate for care of Cemeteries for ensuing year, or act on anything relating thereto.
50. To see if the town will vote to raise and appropriate the sum of \$500.00 to be used under the supervision of the selectmen and cemetery trustees to complete the work started last year straightening up tilted and sunken stones, filling sunken graves, and general repair work necessary to improve older neglected lots in the Evergreen Cemetery, to replace or repair the fence and gates on the front side of the Hilltop Cemetery and to repair fences at Evergreen and Boutelle Cemeteries, or act on anything relating thereto.
51. To see if the town will appropriate the sum of \$300.00 to repair the Hearse House at the Corinthian Cemetery.
52. To see what sum of money the town will vote to raise or appropriate for pushing back and taking care of the Town Dump, or act on anything relating thereto.
53. To see what sum of money the town will vote to raise or appropriate to pay its share of the cost of Social Security, or act on anything relating thereto.
54. To see if the town will vote to accept the provisions of the Workman's Compensation Act, and raise or appropriate a sum of money to purchase the insurance.
55. To see if the town will vote to authorize the Selectmen

to appoint a Budget Committee of five members to serve without pay.

56. To see if the town will vote to have its Annual Town Meeting in the daytime or evening, and state the hour, or act on anything relating thereto.

You will give notice that the Registrar of Voters will be at the Town Office, in said Town, during office hours, on March 28th, the day of said meeting for the purpose of correcting the list of voters.

Hereof fail not, and have with you there this warrant with your doings written thereon.

EXCERPTS FROM THE HISTORY OF CORINTH, MAINE

The exterior lines of the Town of Corinth were run in 1792 by Ephraim Ballard and Samuel Weston and was designated as Township No. 2, in the fourth range of townships north of the Waldo Patent, and was at that time a part of Hancock County.

In 1792 Abner Tibbetts and Daniel Budge settled on what is now known as Oakman Hill and called their settlement "New Ohio." They were soon joined by William Tibbetts, Mark Trafton, Joshua Thompson, John Goodhue, William Hammond, Royal Clark, Peletiah Simpson, Dr. William Peabody and Lemuel Tozier.

Daniel Skinner, Jacob Wheeler, Richard Palmer, Isaac Hodsdon and Nathan Hodsdon made a settlement about two miles north of "New Ohio," which they called the "Skinner Settlement." Now commonly called West Corinth.

In 1794, Josiah Simpson, Robert Simpson, Robert Campbell, Simon Prescott, Jonathan Snow and Rufus Inman, made a settlement about two miles north of the "Skinner Settlement" which was called the "Simpson Settlement" until about 1818 when it became known as the "Eddy Settlement."

In 1808, Deacon John Hunting, Eben Hunting, Joshua Herrick, Reuben Ball, Isaac Ball, Benjamin Dyer, Samuel Gould, Josiah Gregory, David Gove and Andrew Strong, began a settlement on the easterly side of Kenduskeag Stream which they called the "Hunting Settlement," now East Corinth.

In 1816 Samuel Houston and others started a settlement East of East Corinth called the "Savage Settlement," later known as the East Ridge.

East Corinth Academy was built in 1843. In 1848 the Legislature donated one half township of land to the Academy.

In 1874 the Corinth Cheese and Canning factory assoc. was formed.

The first town hall was beside the pound at what is now called Smith's Corner. The present Town Hall was built about 1883 at a cost to the town of \$2,200.00. On the second floor is the Hall of the Corinthian Lodge of I.O.O.F., which cost the lodge \$3,000.00.

There were formerly two societies of Good Templars in town. Ivy Lodge, in Corinth met in their own hall where Harry Roach now lives, the other, Anchor Lodge in East Corinth, met at the Grange Hall.

In 1875 Orient Grange was established. Charles Clark was the first Master.

The Penobscot Agricultural Society held an annual fair and Exhibition on the grounds of John Morison.

One of the first teachers was Miss Eunice Fisher of Canton, Mass. The exact date of the first school is uncertain.

The first Church in Corinth was the Baptist, built in 1836 on land now owned by Clifton Hobbs. The first Minister was Rev. Stephen Dexter. In 1856 the Church was moved to its present location in East Corinth.

There are two Methodist Churches in town, one in East Corinth and the other at Corinth, which was built in 1849. The first Minister at Corinth was Rev. S. F. Weatherbee.

In 1856 the Free Will Baptists built a Church where the residence of Charles Marshall now stands.

The first town meeting was held on the 17th day of March, 1812, at the home of Elijah Skinner. The meeting was called to order by Moses Hodsdon of Levant and Mark Trafton was chosen Moderator, Isaac Hodsdon, Town Clerk, William Hammond, Elijah Skinner and John Hunting, Selectmen, Dr. William Peabody, Elijah Skinner and David Gove, Assessors, Mark Trafton, Treasurer, Joshua Thompson and Reuben Ball, Constables, Andrew Goodhue, Elijah Skinner, Jonathan Snow, Joseph Bragdon, Surveyors of

highways, Josiah Simpson, Jonathan Snow and Simon Prescott, tythingmen, Benjamin Dyer, Robert Campbell, Richard Palmer and Abner Tibbetts, Fence-viewers, Rufus Simpson, Mason Skinner, Joseph Prescott and Joshua Herrick, hog-reeves.

They raised \$700.00 for highways; \$200.00 for schools, to be paid in corn at \$1.00 a bushel, rye at \$1.17 and wheat at \$1.33 a bushel and \$150.00 to defray town charges.

In 1830 a small four paged monthly newspaper called the "Mirror" was published for a time in Corinth.

There were originally four postoffices in Corinth. One in East Corinth, first postmaster, David Gove; one in Corinth, first postmaster, Isaac Hodsdon; one in West Corinth and one in South Corinth.

IMPORTANT

All taxpayers should read the following requirements and comply with them.

Section 36, Chapter 92, Revised Statutes of Maine, 1954:

“Before making an assessment, the Assessors shall give reasonable notice in writing to the inhabitants, by posting in some public place in town or shall notify them, in such other ways as the town at its Annual Meeting directs, to make and to bring in to them true and perfect lists of their polls and all their estates, real and personal not by law exempt from taxation, of which they were possessed on the first day of April of the same year. If any resident owner, after such notice, does not bring in such lists, he is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he offers such list with the application and satisfies them that he was unable to offer it at the time appointed.”

DOGS REQUIRING LICENSE

Owners or keepers of dogs four months old, must produce a license annually, before Jan. 1st. Any person becoming the owner or keeper of a dog after the first day of Jan., not duly licensed as herein required, shall within ten days after he becomes the owner or keeper of said dog, cause said dog to be described and licensed. Make an effort to license your dogs early.

AUDITOR'S REPORT

A partial Auditor's report for 1965-1966 is in the back of this report and a complete report for 1966-1967 will be on the file in the Town Office as soon as received from the Auditor.

PLAYGROUND REPORT

Summer 1966

The citizens of Corinth can be proud of their Little League program. There were 43 boys signed up at the beginning of the year and from these boys, there were four teams participating in local action. Once again, thanks to the local business concerns, the All-Star teams had a chance to wear uniforms which help not only the player but the town.

In All-Star action, the Senior team had a 7-2 record, while the Junior team had a 0-2 record. The main thing about these records were the backbone of the purpose of all Little League teams. At every game this year the coach was complimented on the sportsmanship of each player whether the team won or lost the game.

In the future, it is hoped the Little League will be expanded to have more uniforms and to add a Babe Ruth team to the program. There is need for two coaches in the program so more individual instruction can take place. I wish to thank the Lions Club, and parents who have assisted me these past few years in the program. The town should also be complimented on its initiative in sponsoring

such a worthwhile program for these youngsters to participate in a sport which develops them into better athletes mentally and physically.

We ran 6 weeks this summer with only two days when the playground was closed because of rain. The attendance during the last of June and all of July was highest ever, being especially high when a hike, picnic, dress-up day, special craft or day at the beach was planned.

The average attendance for the summer was 40 youngsters which meant that more than 1,100 youngsters were participating in an organized playground program during the summer.

The addition of the rest-rooms this year were greatly appreciated by the playgrounders.

It was a successful season with all having a good time while learning to cooperate and play with each other.

Respectfully submitted,

GLENN & NOLA BURLEIGH
Supervisors

PROTECTION

Fire Chief's Report

The fire department would like to take this opportunity to thank all citizens of the Town of Corinth for their support and cooperation during the year.

To date we have answered 24 fire calls. One was to Exeter, two were to assist Garland, and one to assist Charleston. During the same period, we have answered 37 ambulance calls. Nine of these were out of town calls.

It was my privilege this past summer to attend a Chief Officers training class held at Farmington for one day. This was very interesting and informative. I also attended a class held at the Dedham school house on L.P. Gas, and how to handle it in the event of fire, and several town Fire Wardens meetings during the year.

The department held a few classes on fire pumps and pumped some water for the benefit of the newer members. New ideas are discussed at nearly every meeting in an effort to keep all members abreast of the times.

For repairs this year it was necessary to put a new floor in one compartment on the Ford fire truck and touched up some rusty spots. We also had to do considerable work on the motor in the ambulance.

When a fire call comes in during the working day the firemen have to leave their jobs to go. This puts a burden on their employers as it cuts down production. The fire department feels that all citizens owe a vote of thanks to the following employers who let all, or part of their crew go on calls: Blackwell Lumber; Page Lumber; George B. Dow & Son; Pomeroy's Esso; Sterling Wilson, and others.

Without men from these places it would be a problem to find a crew during the work day.

You will notice in the warrant an article pertaining to the ambulance. We feel it should be up to a vote of the town whether or not to have ambulance provided by the fire department. The reason for a separate fund is that for the past two or three years it has been necessary to spend a large part of our budget on the operation and maintenance of the ambulance. By doing this we have not been able to purchase new hose and other equipment which is necessary if we are to keep up our inventory as requested by the Bureau of Insurance Underwriters and maintain our rating.

You will also notice that it is suggested that a later model vehicle be obtained. The one we have is a 1952. This is 15 years old, and showing its age. It has an old style vacuum wiper and in heavy snow or rain it's hard to see the road. Also, the brakes are hardly large enough for a vehicle of this weight. Rust is taking a toll in and around the fenders and under-carriage. For the amount we have asked for (\$1,500.00) it would be possible to get a good, clean 60-61 vehicle equipped with power brakes, power steering, and electric wipers. Answering ambulance calls isn't pleasant work at best, and we feel that the men who do should have a more dependable vehicle.

Last, but not least, we have a problem that merits considerable attention in the days ahead. As you know, we have been putting money aside each year towards the purchase of a new and larger fire truck. This should be before 1970. The problem is this. Where will it be housed? Our present building is too low posted to accommodate a larger and higher truck. We have four pieces of equipment in this building now, and it is just possible to walk between them. The present building is owned by the American Legion and any additions or remodeling would have to meet with their approval.

As fire chief, I want to thank each and every member of

the department for their splendid cooperation during the past year. I also want to thank the women who answer the fire phones and do such a grand job in calling out a crew; Irving Caverly and the Maine Forest Service for their help; and the town manager and the selectmen for their support and assistance during the year.

Respectfully,

NORMAN BUSWELL, Chief
Corinth
Volunteer Fire Department

Fire Warden's Report

To the Citizens of Corinth:

The change in location of the town dump, by the selectmen, has proven most satisfactory.

The Town Fire Warden issued one hundred one permits in 1966 and forwarded duplicates to the State Commissioner.

All Warden meetings were attended. Fewer fires were reported from High-Cut Tower. All such were attended and a report returned to High-Cut.

Respectfully submitted,

WALTER SAWYER
Town Fire Warden

MAINE DEPARTMENT OF HEALTH AND WELFARE
DIVISION OF PUBLIC HEALTH NURSING,
BUREAU OF HEALTH

Annual Report of Public Health Nursing Service in Corinth
for the year 1966

Public health nursing is concerned with securing and maintaining better health for all individuals in the community. Every town needs a well organized public health program, and it should be the concern of each citizen in the community to meet this goal.

The public health nurse gives directly those services that require her special nursing skills and gives leadership and counsel to the citizens in developing, cooperatively, the health programs most suitable for their own community.

A summary of the public health nursing service in your community for the past year follows:

CHILD HEALTH CONFERENCE PROGRAM

| | |
|---------------------------------------|----|
| Attendance | 52 |
| Number Children Examined by Physician | 28 |
| Number Immunized | |
| Smallpox | 12 |
| Diphtheria, Whooping Cough, Tetanus | 20 |
| Poliomyelitis | 14 |

SCHOOL HEALTH PROGRAM

| | |
|------------------|-----|
| Audiometer Tests | 188 |
| Tuberculin Tests | 38 |

Your public health nurse gave health guidance to individuals in their homes and in the schools. Restorative nursing services were given to those needing care in their homes under the direction of the family physician.

Many individuals have had clinic services of the De-

partment of Health and Welfare when they were referred by their family physician.

Your local health council has given invaluable volunteer services in planning and assisting with the health program.

Your public health nurse wishes to thank all those assisting her with the various health programs.

Respectfully submitted,

GEORGINA J. PATTERSON
Public Health Nurse

ANNUAL REPORT OF THE ATKINS MEMORIAL LIBRARY

The library suffered a loss this year due to the retirement of Mrs. Gerda Perkins, who faithfully served as librarian for nearly thirty-six years. I, for one and I know all that

have any connection with our library wish to pay tribute to her faithfulness.

In our September meeting, I was appointed librarian and Mrs. Alfred Skolfield, assistant librarian. Our work has been rewarding in the fact that many students from the Academy, out of town students included and many of the elementary pupils have availed themselves of the privileges of our library, but we are sorry to see so few of our adult population enjoying it.

We have added a number of interesting and rewarding books to our collection since last year. Among them are many biographies of famous men and women, historical novels, a new classic, some adult fiction and a number of worthwhile books for our younger citizens.

The book "Authorized Biography of Billy Graham" was bought in memory of Mrs. Elsie Craig.

Instead of taking our word for the good books in our library why not come in browse around and see for yourselves, we would enjoy seeing you.

Have you noticed our new black top walk? Doesn't it improve the appearance of our library?

As of January 1, the collection of books in the Library are 7,951; adult 3,750, juvenile 4,201.

Our circulation during this past year has been 2,641.

Respectfully submitted,

EDNA V. SMITH

MORISON MEMORIAL SCHOOL

To the Corinth School Committee, Town Officials, Tax-payers, and Parents I present this brief account of the Morison Memorial School.

The first grade class of the school enrolled thirty-seven pupils during the first few weeks of school. The committee decided to separate this group and hired an additional teacher for this school year 1966-67. The remedial reading teacher is holding classes in the corridor. The school this

year is operating with overcrowded conditions in certain classes.

Under Title I of the Elementary and Secondary Education Act of 1965 the Towns of Corinth and Charleston have established a co-operative project in remedial reading. We were very fortunate to secure the services of an experienced, well-trained teacher to head the program.

The general upkeep of the building was continued by painting the corridor, kitchen and utility room. Venetian blinds were added to two more rooms on the front of the building.

A very successful Head Start Program was held during this last summer with one hundred—five and six year old children enrolled from the six towns in Union #83. Another Head Start Program is planned for the summer of 1967 with approximately the same number of students from seven towns. Stetson's five and six year olds will be eligible to participate this year.

The Morison Memorial School Lunch Account
Corinth, Maine

Gentlemen:

In compliance with the request of your superintendent of school, Mr. Grant, I have completed the audit for the fund account to January 31, 1967.

All deposits have been verified, all vouchers checked, the check book balance, as shown in the check book at January 31, 1967, in the amount of \$896.98, has also been checked and verified.

Therefore, I certify that this fund is correct as of January 31, 1967.

Very truly yours,

AUDITOR'S REPORT

August 17, 1966

Board of Selectmen
Corinth, Maine

Gentlemen:

In accordance with Chapter 405, Section 26, Public Laws of 1957, an audit has been conducted of the financial records of the Town of Corinth for the fiscal year ended January 31, 1966.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting and included such auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, fairly present the financial condition of the Town as of January 31, 1966 and the results of its operations for the year then ended.

Respectfully submitted,

L. C. NEAL
Public Accountant

C O M M E N T S TOWN OF CORINTH

JANUARY 31, 1965 TO JANUARY 31, 1966

An audit of the financial records of the Town of Corinth has been completed for the fiscal year ended January 31,

1966. The audit included a review of cash transactions as well as an analysis of available funds and expenditures. The results are incorporated in the following text, exhibits and schedules pertaining to the financial affairs of the Town.

The fiscal year's operation showed that the net overdrafts lapsed in departmental accounts amounted to \$2,027.18 per the following summary:

Departmental Accounts (Exhibit D)—

| | |
|---------------------------|-------------|
| Overdrafts | \$ 6,906.61 |
| Less: Unexpended Balances | 4,879.43 |
| | <hr/> |
| | \$ 2,027.18 |

The major lapsed overdraft occurred in the snow removal account.

ASSETS

The cash balance of \$16,896.14 on demand deposit was reconciled with statement furnished by the Newport Trust Company. The office fund of \$200.00 was verified by count of cash at date of audit.

Taxes receivable amounted to \$15,315.25. This amount is comprised of \$10,550.94 for the current year and \$4,764.31 for prior years.

Tax liens and tax acquired property amounted to \$3,812.32 and \$8,901.88 respectively.

Accounts receivable in the amount of \$483.50 originated from current year transactions.

The fire truck fund reserve of \$5,585.21 is on time deposit in the Bangor Savings Bank.

LIABILITIES, RESERVES AND SURPLUS

Current liabilities amounted to \$3,151.47. This amount consists of \$474.27 accounts payable, \$2,300.00 due the ministerial and school fund and withheld income taxes \$377.20.

A reserve of \$1,191.08 is being carried for possible losses in taxes receivable.

Balances carried forward totaled \$6,941.62. This amount is comprised of the following accounts. Civil defense \$500.00, safety markings \$43.95, dental clinics \$150.00, state aid construction \$1,066.00, education \$4,876.07 and dutch elm disease control \$305.60.

The unappropriated surplus of \$34,324.92 reflects an increase of \$2,274.02. Analysis of this account is shown on Exhibit E of the accompanying report.

SCOPE OF AUDIT

Town Clerk's records were examined, pertaining to the financial operations of the Town.

Treasurer's receipts and warrants were checked to determine the accuracy of recorded transactions. Cash receipts were reconciled with bank deposits and warrants reconciled with checks issued.

The 1965 assessment of property and poll taxes was proved and compared in detail with commitment to the collector. Copies of excise tax receipts were reviewed, added and test checked to the extent considered necessary.

Recorded transactions in matured and unmatured tax liens were examined.

Transactions in tax acquired property were examined.

Trust fund resoucrs, with exception of the ministerial and school fund, are held by agencies other than the Town Treasurer. A separate report of such funds will be submitted to the Trustees and Town Officials.

STATE DEPARTMENT

IMPORTANT

All taxpayers should read the following requirements and comply with them.

Section 36, Chapter 92, Revised Statutes of Maine, 1954:

“Before making an assessment, the Assessors shall give reasonable notice in writing to the inhabitants, by posting in some public place in town or shall notify them, in such other ways as the town at its Annual Meeting directs, to make and to bring in to them true and perfect lists of their polls and all their estates, real and personal not by law exempt from taxation, of which they were possessed on the first day of April of the same year. If any resident owner, after such notice, does not bring in such lists, he is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he offers such list with the application and satisfies them that he was unable to offer it at the time appointed.”

DOGS REQUIRING LICENSE

Owners or keepers of dogs four months old, must produce a license annually, before Jan. 1st. Any person becoming the owner or keeper of a dog after the first day of Jan., not duly licensed as herein required shall within ten days after he becomes the owner or keeper of said dog, cause said dog to be described and licensed. Make an effort to license your dogs early.

AUDITOR'S REPORT

A partial Auditor's report for 1966-1967 is in the back of this report and a complete report for 1967-1968 will be on file in the Town Office as soon as received from the Auditor.

TOWN MANAGER'S REPORT

To the Board of Selectmen and the Citizens of Corinth:

The following report of the financial details and municipal activities is herewith submitted for your information and consideration.

The financial position of the Town at year's end was very good. As we began the new fiscal year on February 1, 1968, there was a cash balance of over \$35,000.00 of which \$5,000.00 was appropriated to pay for the sewerage and water survey. In 1967-68, the Town for the first time in many years did not borrow money in anticipation of taxes. This saved the Town over \$300.00 which it has been paying in interest on these loans. There were no outstanding debts.

As probably everyone knows by now, the Town is the benefactor of a large portion of the Estate of Abner Morison. The total amount of the Trust and the yearly return are not known at this time but it should be settled by this summer. The Town of Corinth was very fortunate to have had the Morison brothers as residents. The income from this Trust cannot be used to lower the tax rate, but as instructed by the terms of the Will, must be used to improve the Town.

At a special Town Meeting held December 18, 1967, the citizens of Corinth took what I think was a giant step forward in voting to do a preliminary water and sewerage survey. At this date, the contracts have been signed and very soon Whitman & Howard, Inc., engineers of Boston, have indicated that they will begin the survey. If we are

going to attract industry and people to settle in Corinth, a sewerage and water system is a necessity. The Corinth Utilities District has been established by the State Legislature and must be presented to the voters of Corinth before December 1968. If the town votes to construct a sewerage and water system, the District run by elected trustees will construct and operate the system. The Amortization of Construction Costs and Maintenance will be paid by the citizens and businesses who use the facilities, not by taxation.

The usual Highway Program, consisting of grading and hauling of gravel, was carried out again this year. It is becoming increasingly difficult to hire a road grader and I urge the voters to take favorable action on Articles No. 27 and No. 28. The Town can purchase a grader and taxes will still be lower than the average for the past five years. This is the last year that the State Aid Fund will be used on bridge construction. In 1969, we can again use this fund to reconstruct State Aid roads. The Town should seriously consider tarring roads constructed by the State Aid and Town Road Improvement Funds. This would result in better rural roads and would alleviate the necessity of rebuilding them periodically.

I wish to thank the officials and the citizens of the Town of Corinth for their assistance, support and cooperation and am looking forward to serving the Town in 1968-69.

Respectfully submitted,

KEITH D. PATTERSON

Town Manager

Playground Report

The Playground opened July 11 this year and ran for six weeks. It was closed only 3-1/2 days due to rain, which was exceptionally good considering the weather we had.

After purchasing a football, basketball, badminton rackets and a golf set, we got off to a good start with a large attendance. The morning attendance averaged about 20 and the afternoon attendance averaged from 30 to 40, with an average daily attendance of about 50. During the whole season there were 115 children registered, with a total attendance of 1,147.

On each Monday and Wednesday there was a story hour in the afternoon in addition to the usual games of checkers, chess, tag, ring toss, and baseball. Tuesdays and Thursdays were considered "Craft Days", and with the purchase of practically anything from paper bags and construction paper to glue and fingerpaint, they made something on those days. One of their favorites was fingerpainting, but they made many other things too, including: puzzles, banks, turtle paper clips, and plaques made from popsicle sticks.

Friday was the big day of the week, because on that day we would either go on a hike, have a picnic, have a bicycle and doll carriage parade, or have a pet show.

It was a very good summer and I'd like to say that I really enjoyed my job and gained much valuable experience.

LITTLE LEAGUE REPORT

SUMMER 1967

The citizens of Corinth can be proud of their Little League program. There were 25 boys signed up at the beginning of the year; of these there were 5 boys who dropped out. Of the remaining 20 boys there were two teams participating in local action.

We were late in getting started, not until July 1st, and due to weather conditions of which we received a large number of rainy days we were unable to schedule as many games as we had hoped for.

Fortunately the month of August we were able to play 8 games—4 home and 4 away; 3 Senior and 5 Junior games.

I was forced to use some of my junior boys in senior play action, not having a sufficient number of senior boys.

Our record overall was 7 won, 1 lost; senior record, 3-0, Junior record, 4-1.

Our Senior team wins were as follows:

| | | |
|-----------|-----------|-------------------|
| August 8 | Corinth 6 | Dover Foxcroft 3 |
| August 14 | Corinth 2 | Dover Foxcroft 1 |
| August 25 | Corinth 3 | Brownville Jct. 2 |

Our Junior record was as follows:

| | | |
|-----------|------------|--------------------|
| August 17 | Corinth 11 | Brownville Jct. 12 |
| August 19 | Corinth 24 | Kenduskeag 7 |
| August 22 | Corinth 9 | Milo 0 |
| August 25 | Corinth 2 | Milo 1 |
| August 29 | Corinth 9 | Kenduskeag 3 |

The following is a list of the 20 boys who participated and their averages.

| | | At Bats |
|-----------------|------|---------|
| Stephen Bragdon | .667 | 8-12 |
| Joe Greatorex | .571 | 15-25 |
| Peter Salley | .571 | 4-7 |
| Stephen Bean | .550 | 11-20 |
| Alan Redmond | .500 | 4-8 |
| Robin McDougall | .500 | 3-6 |
| George Buswell | .500 | 2-4 |

| Mark Bickmore | .133 | 2-15 |
| Danny Downes | .125 | 1-8 |
| Alan Strout | .000 | 0-2 |
| Terry Mitchell | .000 | 0-5 |
| Eddie McCorson | .000 | 0-2 |

Pitchers' Records:

| | |
|-----------------|-----|
| Gregory Buswell | 3-0 |
| Peter Salley | 1-0 |
| Joe Greatorex | 3-1 |

In all the games the boys played hard and gave everything they had and showed good sportsmanship whether winning or losing.

I want to thank all parents who assisted in transportation for the away games.

The town should also be complimented on its initiative in sponsoring such a worthwhile program which develops these youngsters into better athletes, mentally and physically.

It was a successful season with all having a good time while learning to cooperate and play with each other.

Fire Chief's Report

The fire department wants to thank all of the townspeople for their continuing support. We certainly appreciate the purchase of the J. L. Paine Inc. Warehouse for a fire station. This building is ideally located and will give us the room we need, now and in the future.

Some of the larger purchases during the year are as follows: three drums of chimney chemical, a set of wrenches, and, of course, the later model ambulance that we purchased last May. This has proved very satisfactory. Also, we purchased a much needed smoke mask. This is a self-contained unit for breathing in adverse conditions.

We are pleased to see that our fire calls are down from previous years. We can only hope they will continue to do so. The fire in Myron Chesley's workshop and the loss of Gerald Hutchinson's home were our largest fires. The small home of Mr. Hutchinson's was engulfed in flames when we arrived. All the department could do was to keep it contained in the building and to keep it from igniting the lumber and building on the adjoining property.

The coming spring promises to hold its share of grass fires. Due to an abnormal season of poor hay weather and a good growing season, lots of hay and grass remain standing. We urge all of you to be extremely careful of out of doors fires next spring. We won't be able to burn all the grass that needs burning, but will try and burn some of the worst spots.

During the past year we have answered 24 ambulance calls. Five of these were out of town. We answered 15 fire

calls. Two of these were in Charleston. Of these calls, four were grass fires, two flooded oil burners, two trucks, one dwelling, three chimney fires, one tractor and one workshop.

The department held several pump sessions last summer, but due to cold, wet weather, not nearly as many as we had planned. Hope we will be able to do more this spring. As chief, I've attended several meetings on L. P. Gas, electrical fires and others. Things learned here and by reading related material are passed on at fire meetings to the members. Also, as chief, I want to thank all members of the department for their splendid cooperation during the year. Also, thanks is extended to the selectmen and town manager for their help and cooperation. Mr. Irving Caverly of the Maine Forest Service is also thanked for his assistance and interest in our department.

Sincerely,

NORMAN I. BUSWELL, Chief
Corinth Vol. Fire Dept.

Fire Warden's Report

To the Citizens of Corinth:

The Town Fire Warden issued one hundred six permits in 1967, and inspected several incinerators.

All Warden meetings were attended.

All fires reported from High-Cut Tower were attended and report returned to High-Cut.

Respectfully submitted,

WALTER SAWYER
Town Fire Warden

MAINE DEPARTMENT OF HEALTH AND WELFARE
DIVISION OF PUBLIC HEALTH NURSING,
BUREAU OF HEALTH

Annual Report of Public Health Nursing Service
in Corinth for the year 1967

The effectiveness of a community health service depends to a large extent on the interest in and the understanding of the public health program by all citizens of that community. It is essential that they appreciate the value of that service. From a personal standpoint they should be interested in the program because the individual's physical, emotional and economic needs affect other citizens, and because the cost of this service is directly or indirectly borne by the individual taxpayers of the community.

The public health nurse maintains a program of guidance and education by teaching health rules and assisting in the prevention of disease and deformity, thus lessening human suffering.

A summary of the public health nursing service in your community for the past year follows:

CHILD HEALTH CONFERENCE PROGRAM

| | |
|---------------------------------------|----|
| Attendance | 67 |
| Number Children Examined by Physician | 20 |
| Number Immunized: | |
| Smallpox | 15 |
| Measles | 29 |
| Diphtheria, Whooping Cough, Tetanus | 13 |
| Poliomyelitis | 16 |

SCHOOL HEALTH PROGRAM

| | |
|-------------------|-----|
| Number Immunized: | |
| Measles Vaccine | 26 |
| Tuberculin Tests | 110 |

The school personnel were given tuberculin tests. There were no positive reactors. Plans will be made for a school immunization clinic early in 1968.

There are many services given by your public health nurse that are not shown in the above statistical tabulation. These services include health guidance through home visits to individuals and families in their homes and in the schools.

Individuals have had clinic services of the Department of Health and Welfare when they were referred by their physician.

Your public health nurse sincerely thanks the members of the Corinth Health Council for the assistance given in the various health program.

Respectfully submitted,

GEORGINA J. PATTERSON
Public Health Nurse

ANNUAL LIBRARIAN'S REPORT OF THE ATKINS MEMORIAL LIBRARY FOR 1967

I am beginning my report a little differently than other years by asking you this:

What does a library mean to you, or should I say, what does our own library mean to you?

When you look at it is it a nice looking piece of architecture surrounded by neat grounds or is it just a depository for books. Is it a place that when you enter you know that you will find something that will give knowledge, bring comfort, or just give a few hours of enjoyment. By something I mean books, of course. I believe we have books that will give you these different sources of enjoyment. Why not come in and see for yourselves!

Now, to get on with the regular report. From January 1st to December 1st 191 books have been added to our library: 105 Juvenile, 86 Adult. These include historical novels, biographies, religious and fiction. A few books were donated and also money was given by the Extension group to buy books in honor of Mrs. Gerda Perkins, who was the faithful librarian here for nearly thirty-six years. Three were ordered with the money, Antiques and How to Use

Them, Bird Migration, and Born Free (about Elsa the Lioness). Two of these books have been received. Another gift that was donated was an electric clock by Miss Helen Farrar. This gift was needed and much appreciated.

One of the most noticeable changes in our library is a new furnace which was placed in the corner of the room making for maximum safety in case of fire. As this change necessitated moving some book stacks, Charlie Perkins kindly moved them and made them ready again for books.

An easel was made on which new books can be better displayed. Thirty records were given by the Columbia Records Co. A stack was made for exhibiting these also. The records moved slowly at first but later more availed themselves of the pleasure of hearing them in their own homes. The collection is mixed but mostly classical or semi-classical and a few that the younger set might enjoy.

The library has been cleaned and I might add that the C. and G. cleaners in Dexter cleaned our flags free gratis.

Mary Kennedy came in to help in the fall so she could be an assistant to Mrs. Alfred Skolfield during my absence from the library. Both workers have been very efficient and considerate.

I regret that more of the adults haven't taken advantage of using our nice library but I am glad to have a good number of academy and elementary students using the books.

Respectfully submitted,

MRS. EDNA SMITH
Librarian

REPORT OF THE SUPERINTENDENT OF SCHOOLS

As a result of the creation of School Administrative District No. 64, we have been able to provide some valuable services to our students that have not been previously provided. The services are as follows: Transportation of all secondary students to Central High School, music programs in all schools, and a remedial reading program in all elementary schools. For the first time we own and operate our own high school.

By District approval, a new elementary school is under construction in the town of Stetson. This school will consist of four classrooms, kitchen, an all-purpose room, toilet facilities, teacher's room and two storage areas. This school will open in the fall of 1968.

For the first time the Board of Directors has approved a teachers' salary schedule. This schedule will be of great help in retaining the services of good teachers and in attracting new well-qualified teachers to our area.

The Board of Directors is carefully studying the need for new additions to the present high school. Dr. Keith Crockett, Division of Field Services, State Department of Education, has already made a survey of existing facilities and has made his recommendations for additional buildings for a six-year high school. Informational meetings will be held in each town to bring information to the people before a referendum vote for a bond issue. Preliminary plans by an architect will be available at that time.

The budget for 1968 has been carefully studied by the Directors and is considered to be minimal for the school year. This budget does not show any increase over the 1967 minimum appropriation for the individual towns.

AUDITOR'S REPORT

April 21, 1967

Board of Selectmen
Corinth, Maine
Gentlemen:

In accordance with Title 30, Section 5253, Maine Revised Statutes of 1964, an audit has been conducted of the financial records of the Town of Corinth for the fiscal year ended January 31, 1967.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting and included such auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, fairly present the financial position of the Town as of January 31, 1967 and the results of its operations for the year then ended.

Respectfully submitted,

L. C. NEAL

Public Accountant

COMMENTS

Town of Corinth

January 1, 1966 to January 31, 1967

An audit of the financial records of the Town of Corinth has been completed for the fiscal year ended January 31, 1967. The audit included a review of cash transactions as well as an analysis of available funds and expenditures. The

results are incorporated in the following text, exhibits and schedules pertaining to the financial affairs of the Town.

The operations for the fiscal year showed that the net unexpended balances lapsed in departmental accounts amounted to \$4,465.24 per the following summary:

Departmental Accounts (Exhibit D)—

| | |
|------------------------|-------------|
| Unexpended Balances | \$ 6,892.02 |
| Less: Overdrafts | 2,426.78 |
| <hr/> | |
| Net Unexpended Balance | \$ 4,465.24 |

The major lapsed overdraft occurred in Highways and Bridges.

ASSETS

The cash balance of \$18,854.98 on demand deposit was reconciled with statement furnished by the Newport Trust Company. The office fund of \$200.00 was verified by count of cash at date of audit.

Taxes receivable amounted to \$16,261.54. This amount is comprised of \$10,230.36 for the current year and \$6,031.18 for prior years.

Tax liens and tax acquired property amounted to \$1,819.15 and \$5,991.32 respectively.

Accounts receivable in the amount of \$180.06 originated principally from current year transactions.

The fire truck fund reserve of \$6,818.17 is on time deposit in the Bangor Savings Bank.

LIABILITIES, RESERVES AND SURPLUS

Current liabilities totaled \$2,888.58. This amount consists of \$3.00 accounts payable, \$2,300.00 due the Ministerial and School Fund and \$585.58 withheld income taxes.

A reserve in the amount of \$3,015.59 is being carried for possible losses in taxes receivable.

Balances carried forward reflects a debit balance of

\$795.97. This amount is comprised of the following accounts: Town Hall \$1,975.00, Civil Defense \$500.00, Safety Markings \$19.45, Care of Elm Trees \$662.40, State Aid Construction \$2,132.00 overdraft and Education net overdraft \$1,820.82.

The unappropriated surplus of \$38,198.85 reflects an increase of \$3,873.93. Analysis of this account is shown on Exhibit E of the accompanying report.

SCOPE OF AUDIT

Town Clerk's records pertaining to the financial operations of the Town were examined.

Treasurer's receipts and warrants were checked to determine the accuracy of recorded transactions. Cash receipts were reconciled with bank deposits and warrants reconciled with bank charges.

The 1966 assessment of property and poll taxes was proved and compared in detail with commitment to the collector. Copies of excise tax receipts were reviewed, added and test checked to the extent considered necessary.

Recorded transactions in matured and unmatured tax liens were examined.

Transactions in tax acquired property were examined.

Trust fund resources, with exception of the Ministerial and School Fund, are held by agencies other than the Town treasurer. A separate report of such funds will be submitted to the Trustees and Town Officials.

CORINTH, MAINE

March 11, 1968

Dear Citizens:

By now you are aware that ETV is planning to televise our town meeting on March 18th. A recent letter to me from John Dunlop, General Manager, Maine ETV Network, contains information that may be of interest to you.

Prior to the town meeting, ETV will show a documentary about Corinth. Some of you may have been involved in the filming of this program. Understandably, you are interested to see how it turned out. Mr. Dunlop informs me that the documentary will also be presented over Channel 12 on Friday, March 15 at 9:30 P.M. In this way, those interested in the program may see it without having to miss the meeting.

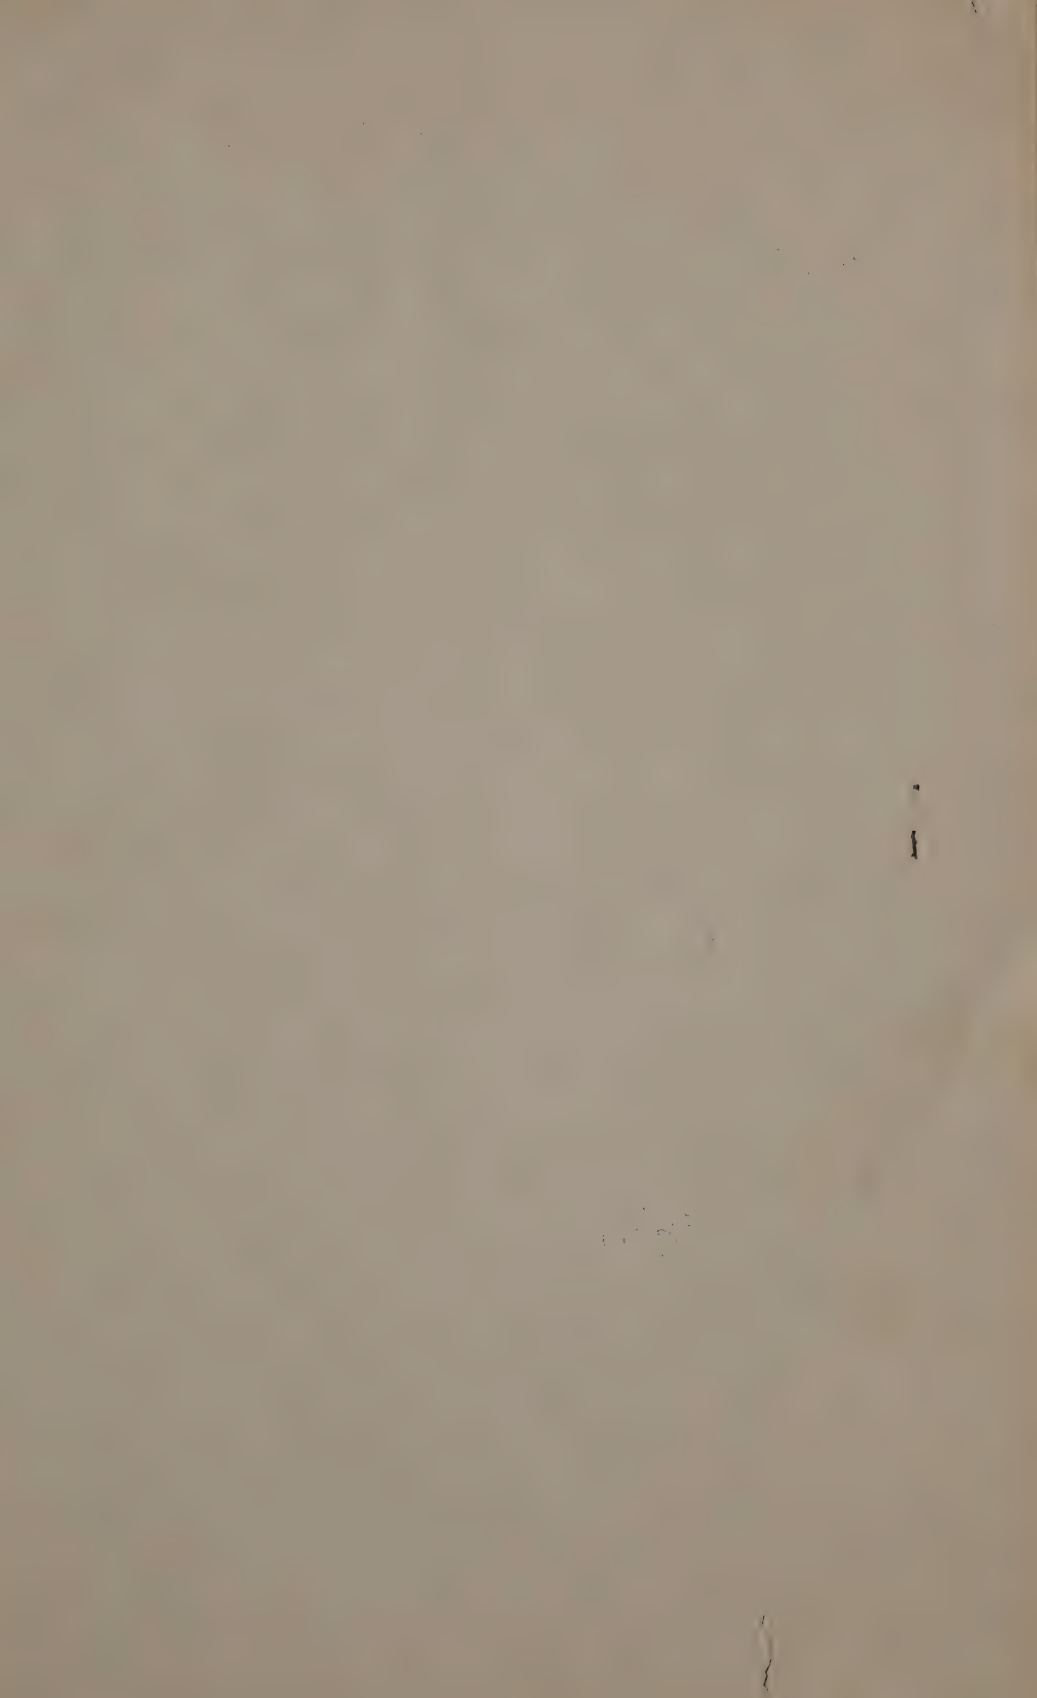

Mr. Dunlop goes on to say that the entire town meeting will be recorded on tape. He offers to show this tape to all who wish to see it at a special "Corinth Night" at the ETV studios in Orono, should the town wish to take advantage of this offer. Action on this offer may be taken at a later date.

See you at Town Meeting.

Sincerely,

KEITH PATTERSON

IMPORTANT

All taxpayers should read the following requirements and comply with them.

Section 36, Chapter 92, Revised Statutes of Maine, 1954:

"Before making an assessment, the Assessors shall give reasonable notice in writing to the Inhabitants, by posting in some public place in town or shall notify them, in such other ways as the town at its Annual Meeting directs, to make and to bring in to them true and perfect lists of their polls and all their estates, real and personal not by law exempt from taxation, of which they were possessed on the first day of April of the same year. If any resident owner, after such notice, does not bring in such lists, he is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he offers such list with the application and satisfies them he was unable to offer it at the time appointed."

DOGS REQUIRING LICENSE

Owners or keepers of dogs four months old, must produce a license annually, before Jan. 1st. Any person becoming the owner or keeper of a dog after the first day of Jan., not duly licensed as herein required shall within ten days after he becomes the owner or keeper of said dog, cause said dog to be described and licensed. Make an effort to license your dogs early.

AUDITOR'S REPORT

A partial Auditor's report for 1967-1968 is in the back of this report and a complete report for 1968-1969 will be on file in the Town Office as soon as received from the Auditor.

TOWN MANAGER'S REPORT

To the Board of Selectmen and the Citizens of Corinth:

The following report of the financial details and municipal activities is herewith submitted for your information and consideration.

At the close of the fiscal year January 31, 1969, the financial position of the Town remains very good. The cash balance was over \$42,800.00, of which \$5,000.00 has been appropriated for the sewerage and water survey. The increase in the closing cash balance is due mostly to a decrease in delinquent taxes at year end of approximately \$5,800.00 as compared to 1967-68. We again did not have to borrow money in anticipation of taxes, thereby saving interest on these loans.

The Estate of Abner Morison has not yet been settled, but it is expected that by this summer the Trust Fund can be set up. As of January 21, 1969 there was income of \$33,312.34 which can be expended by the Town of Corinth providing the projects come under the terms of the Will and are approved by the Trustees of the Estate. We have tentative approval from the Trustees for two projects at this time, namely paying the balance on the new fire truck and repaying the loan on the new fire station. There are articles in the Warrant for your approval of these expenditures. This amount, which is roughly \$23,000.00 is less than one year's income, so I think you can see how fortunate the Town of Corinth is and what an effect the Trust Fund is going to have on the future growth of the Town. This only emphasizes the fact that we must have an active planning board to chart our future course.

We have received the revised preliminary sewerage survey report from Whitman & Howard, Inc. The survey concludes that the sewerage problem in the village area is acute and a system should be constructed as soon as it is feasibly possible. They have proposed a Phase I project which covers the village area including the schools and the business area. This phase will cover more than 50 percent of the population of Corinth. Copies of the report are available at the Town Office for you to review, so I will not go into detail in this report.

As in previous years the Highway Program consisted of grading and trying to maintain the roads in passable condition. We installed around \$1,000.00 worth of culverts and this year are hoping to be able to spend more of the appropriation on gravel. Due to the increase in the School Assessment we did not feel that we could ask for too much of an increase in the Summer Roads Account, but this should be considered in the future if the School Assessment should be lowered.

Our street signs arrived too late in the fall to be erected but this will be done as soon as the frost is out of the ground this spring.

As you have noticed we are losing many of our trees in the Village and we should consider replanting trees in their place.

I wish to thank the Town Officials and the Citizens of Corinth for their support and cooperation during this past year.

Respectfully submitted,

KEITH D. PATTERSON

Town Manager

Playground Report

The children in our community all helped to successfully launch "Operation Playground" this summer. Daily activities included: volleyball, tetherball, badminton, baseball, basketball, beano, chess, kickball, croquet, and organized group games to name a few.

Craft days were popular with the children as well as fields days, the Hobo Picnic, Hot Dog Roast, and the Sebec swimming trip. The girls enjoyed baton lessons.

Thanks are due to the Firemen and the Lions for their financial and moral support. Cooperation from many parents and interested townspeople also aided the program. The greatest support came from the children. Their efforts ended successfully in a candy sale, Old Home Day. The money earned will go toward new equipment for next summer.

Corinth citizens should be proud of their playground which has become a vital town facility. To quote David Dearing, our first playground supervisor: "What we as adults provide for helping children to build competence in various outdoor activities is not simply an investment in health exercise or handy skill. It is also an investment in social and emotional adjustment. Our summer playground program provides both of these objectives for our youngsters."

LITTLE LEAGUE REPORT

SUMMER 1968

We started the Little League program on April 27 with 22 boys signed up at the beginning of the year: in June, 3 more boys signed up and 1 boy moved away having a remainder of 24 boys who participated in the little league program the remainder of the summer.

We got an early start this year which enabled us to participate in more games than in previous years.

We played a total of 20 games having won 13 and losing 7 including tournament action at Pittsfield.

We were invited to participate in a double elimination tournament at Pittsfield the last of July through the first two weeks of August.

Our record was as follows:

| | | | |
|---------|------------|-----------------|---|
| May 24 | Corinth 6 | Kenduskeag | 4 |
| June 1 | Corinth 2 | Fairbanks | 1 |
| June 26 | Corinth 3 | Corinna | 2 |
| July 3 | Corinth 1 | Corinna | 0 |
| July 5 | Corinth 6 | Waldo | 9 |
| July 6 | Corinth 10 | Wild Goose | 0 |
| July 10 | Corinth 1 | Corinna | 8 |
| July 12 | Corinth 3 | Howald Yankees | 4 |
| July 12 | Corinth 8 | Howland Red Sox | 6 |
| July 13 | Corinth 6 | Wild Goose | 5 |
| July 20 | Corinth 0 | Howland Mets | 3 |

In all the games the boys played hard and gave everything they had and showed good sportsmanship whether winning or losing.

I want to thank all parents who assisted in transportation for the away games.

On August 17, 22 of the boys and some of the boys parents made a trip to Fenway Park, Boston, Massachusetts to see the Red Sox play Detroit, it was an exciting game and a good time was had by all.

This trip was made available by donations from various businesses and individuals in town. Many thanks to those people who helped make this trip a success.

From two candy sales this year we raised money to purchase a new catcher's mitt, eight new baseball bats, six new batting helmets, eight new uniforms, twenty two baseball caps; one for each boy and a new score book.

The Town should also be complimented on its initiative in sponsoring such a worthwhile program which develops these youngsters into better athletes, mentally and physically.

It was a successful season with all having a good time while learning to cooperate and play with each other.

PROTECTION

Fire Chief's Report

During the last year, the department answered 36 ambulance calls and 18 fire calls. Nine of these ambulance calls were out of Town. Two of these fire calls were to assist Charleston.

The year 1968 certainly was a most eventful year for the fire department. At the annual Town Meeting, last March, the Town voted to buy the former J. L. Paine Property for a fire station. This gives us the room we so badly needed. The Corinth Firemen's Benefit Association, with funds raised from their auction and proceeds from Old Home Day, bought two new fiberglass, light weight doors to replace the heavy ones there. They will also build a hose tower this summer.

In March 1968, East Corinth Academy burned to the ground. This was the biggest fire loss in the Town in many years. Although this was a big loss to the community, we feel we were very fortunate in that there was no personal injuries, either among the students and faculty, or among the many firemen and others involved. We were able to save the adjoining property. Our mutual aid agreement certainly proved worthwhile as we would have been hard pressed to save the other buildings without outside help.

Late in the fall of 1968, at a Special Town Meeting, the Town voted to buy a new fire truck. This will be a larger truck than we now have, with a thousand gallon tank, heated pump, booster hose reels, and other features that we feel necessary to fight all size fires that we may encounter.

As your Fire Chief, I want to thank all the Citizens, Selectmen and Town Manager for their support and cooperation. Want also to thank Mr. Irving Caverly of the Maine Forest Service for his help and cooperation. Last, but certainly not least, I want to thank each member of our Fire Department for their splendid cooperation and help during the past year.

Respectfully,

NORMAN I. BUSWELL, Chief
Corinth Vol. Fire Dept.

Fire Warden's Report

To the Citizens of Corinth:

The Town Fire Warden issued ninety-seven permits in 1968 and forwarded duplicates to the State Commissioner. Several incinerators were inspected.

All Warden meetings were attended.

Fewer fires were reported from High-Cut Tower, but those received were attended and a report returned.

Respectfully submitted,

WALTER L. SAWYER
Town Fire Warden

Annual Report of Public Health Nursing Service
in Corinth for the year 1968.

Public health nursing is concerned with securing and maintaining better health for all members of the community. The public health nurse maintains a program of education and guidance by teaching health rules, by preventing disease and deformity, and by lessening human suffering.

The following report presents some of the activities.

The nurse met with others to make plans that would help individuals and groups of citizens.

Supportive Visits

| | |
|------------------|----|
| School personnel | 19 |
| Others | 8 |
| Town officials | 6 |

Immunization clinics were held in the school. Following is a list of the type and number of immunizations given:

Immunizations

| Type | Number Given |
|--|----------------|
| Diphtheria tetanus toxoid (completed and boosters) | 28 |
| Smallpox vaccine | (completed) 16 |
| Trivalent polio | (completed) 10 |
| Measles vaccine | (completed) 8 |

Three child health conferences were held for the infant and preschool children. Parents discussed problems with the attending physician and public health nurse in addition to physical examinations. The type and number of immunizations are listed below:

| Type of Immunization | Completed Immunizations |
|-------------------------------------|-------------------------|
| Diphtheria, whooping cough, tetanus | 19 |
| Trivalent polio | 14 |
| Measles vaccine | 11 |

The nurse visited homes to give preventive, therapeutic and rehabilitative nursing service to individuals and families in their homes.

The Health Council members assisted with group activities under the guidance of the public health nurse. Appreciation for these services is extended to these volunteers.

Respectfully submitted,

GEORGINA J. PATTERSON, R.N.
Public Health Nurse

ANNUAL LIBRARIAN'S REPORT OF THE ATKINS MEMORIAL LIBRARY FOR 1968

I would like to begin my report this year with a pertinent question. How much does our library mean to you? By you, I mean the adult citizens. This may sound like a strange question, but would it come as a surprise to you to know that, as a rule, there are less than ten adults who

visit our library each week? I have wondered if it is because the hours, on Thursday from 1 to 4:30 P.M., are inconvenient, or is it because of lack of interest?

How many of you are aware of the fact that our library spends over \$300.00 yearly for books, both Adult and Juvenile Fiction and Non Fiction? In view of the amount of money spent, doesn't it seem rather a pity not to avail yourselves of getting something back by reading some of our good books?

Many new books have been added to our shelves this year. Among the Non Fiction are Science texts, Biographies and Social Science Books.

We were pleased to have a large collection of books given to us by Miss Rowena Mills and Miss Eloise Hanning-ton. The duplicates were given to a lady in Hudson who plans to start a library in her home. Several good books have also been given by Louise Wilson and Mrs. Marion Rowe. We have appreciated these gifts.

A nice table was presented to our library by Mr. Charles Perkins in loving memory of his wife "Gerda" who served our library faithfully for nearly 36 years. A suitable plaque was inscribed on the table stating the years that she so faithfully served.

We have already sent over sixty books to some of the school rooms. We would like to send to all of the rooms if the teachers would care for them. All they need do is contact me and my assistant, Mrs. Doris Skolfield, or I will choose a number of books for them.

The Head Start youngsters and their teachers and helpers enjoyed their visits to the library this summer.

Please come to our annual meeting the second Monday in May at 2 P.M.

AUDITOR'S REPORT

April 29, 1968

Board of Selectmen
Corinth, Maine
Gentlemen:

In accordance with Title 30, Section 5253, Maine Revised Statutes of 1964, an audit has been conducted of the financial records of the Town of Corinth for the fiscal year ended January 31, 1968.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting and included such auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, fairly present the financial position of the Town as of January 31, 1968 and the results of its operations for the year then ended.

Respectfully submitted,

L. C. NEAL

The cash balance of \$35,108.64 on demand deposit was reconciled with statement furnished by the Newport Trust Company. The office fund of \$200.00 was verified by count of cash at date of audit.

Taxes receivable amounted to \$10,846.67. This amount is comprised of \$7,811.63 for the current year and \$3,035.04 for prior years.

Tax liens and tax acquired property amounted to \$1,841.68 and \$6,382.35 respectively.

Accounts receivable in the amount of \$543.20 originated from current year transactions.

The fire truck fund reserve of \$9,112.40 is on time deposit in the Bangor Savings Bank.

LIABILITIES, RESERVES AND SURPLUS

Current liabilities totaled \$2,364.60. This amount consists of \$2,300.00 due the Ministerial and School Fund and \$64.60 withheld income taxes.

A reserve in the amount of \$2,805.37 is being carried for possible losses in taxes receivable.

Balances carried forward totaled \$6,512.07. This amount is comprised of the following accounts: Town Hall Yard \$350.00, Civil Defense \$500.00, Safety Markings \$44.45, Painting Fire Station \$325.00, Clinics \$150.00 Morison Avenue \$235.82, State Aid Construction overdraft \$1,-066.00, Simpson Cemetery \$66.40, Care of Elm Trees \$662.40, Planning Committee \$200.00, Social Security Taxes \$44.00 and Water and Sewerage Survey \$5,000.00.

The unappropriated surplus of \$43,240.50 reflects an increase of \$5,041.65. Analysis of this account is shown on Exhibit E of the accompanying report.

SCOPE OF AUDIT

Town Clerk's records pertaining to the financial operations of the Town were examined.

Treasurer's receipts and warrants were checked to determine the accuracy of recorded transactions. Cash receipts were reconciled with bank deposits and warrants reconciled with bank charges.

The 1967 assessment of property and poll taxes was proved and compared with commitment to the collector. Copies of excise tax receipts were reviewed, added and test checked to the extent considered necessary.

Recorded transactions in matured and unmatured tax liens were examined.

Transactions in tax acquired property were examined.

Trust fund resources, with exception of the Ministerial and School Fund, are held by agencies other than the Town treasurer. A separate report of such funds will be submitted to the Trustees and Town Officials.
